All Saints Day November 1

On November 1st, All Saints Day, we give thanks and remember those who have completed their baptismal journeys on earth and now abide in their eternal home with God. During our worship service we will acknowledge those who have gone before us in the litany of saints. If you would like a loved one who has died in the past year included in this litany, please contact the church office by October 28: or call 701-575-4703.

From Pastor Dawn:

Thinking about November, Thanksgiving is the first thing that comes to my mind. We begin the month celebrating "All Saints' Day" – a day in which we celebrate all the people of God, living and dead, who are the body of Christ. Even in the midst of a pandemic, we remember the blessings of God for all. God promises blessings for those who mourn, for those in pain, and for those who struggle with other realities in their lives.

As the communion of saints gathered together in body or spirit, we remember all of the things we are grateful for. I am grateful for YOU, the communities of Belfield, Daglum, and Medora. I am grateful for all of you who love and support these communities. I am grateful for the opportunities to serve God alongside you all. I am grateful for my family and friends who care for me and who know exactly how to lift my spirits when I am down. Most of all, I am thankful for Jesus, the One who was crucified, died and was buried, the One who was raised on the third day, and the One who promises to be present with us in the bread and the wine of holy communion. At this table of Grace, we join together with all the saints in a banquet of all banquets. Thanks be to God!
